## **How to Get High PR Backlinks From Do Follow Blogs ?**

If you are interested to get valuable backlinks from DoFollow blogs with specific domains including edu, com, net then you reached the right place to explore how to do this magic. Though it seems to be hard to find the right blogs for you among myriads of blogs running in these domains, but don't worry.

As we said that it is a magic so it would be done by some 'Magic Words'. What you have to do is:

To find the right blog and leave a valuable comment there with your user name and website URL.

To avoid blog spamming, by using different comments on different blogs instead of pasting the same comment everywhere.

Thought some people say that it's 'black hat' or 'gray hat' SEO attempt but there is nothing wrong in applying this tool if you are giving something valuable in return.

So let's start with our 'Magic Words' to find out the right blogs for your website.

1- Type a query in google search box with 'site' and 'intext' words.

For example:

Site: .com "Powered by BlogEngine. Net"

Web [Images](#) [News](#) [Books](#) [Translate](#) [Scholar](#) [Gmail](#) [more](#) ▼ [Search settings](#) | [Sign in](#)

Google   [Advanced Search](#)

Search:  the web  pages from Pakistan

---

Web [Show options...](#) Results 1 - 10 of about 35,000 for site:.edu "Powered by BlogEngine.NET". (0.24 seconds)

(It will list all .com sites powered by BlogEngine.Net", you can change the tld every time you put query in search box for desired results as shown in screenshots)

Web [Images](#) [News](#) [Books](#) [Translate](#) [Scholar](#) [Gmail](#) [more](#) ▼ [Search settings](#) | [Sign in](#)

Google   [Advanced Search](#)

Search:  the web  pages from Pakistan

---

Web [Show options...](#) Results 1 - 10 of about 2,530,000 for site:.com "Powered by BlogEngine.NET". (0.28 seconds)

Web [Images](#) [News](#) [Books](#) [Translate](#) [Scholar](#) [Gmail](#) [more](#) ▼ [Search settings](#) | [Sign in](#)

Google   [Advanced Search](#)

Search:  the web  pages from Pakistan

---

Web [Show options...](#) Results 1 - 10 of about 246,000 for site:.org "Powered by BlogEngine.NET". (0.30 seconds)

Also try same query without using '.NET' in the end.

Web [Images](#) [News](#) [Books](#) [Translate](#) [Scholar](#) [Gmail](#) [more](#) ▼ [Search settings](#) | [Sign in](#)

Google   [Advanced Search](#)

Search:  the web  pages from Pakistan

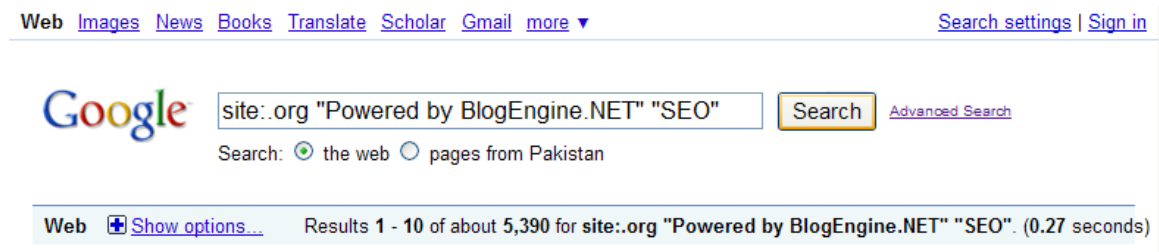

---

Web [Show options...](#) Results 1 - 10 of about 80,800 for site:.org "Powered by BlogEngine". (0.19 seconds)

2- You can also add specific words to get more specified results.

For Example:

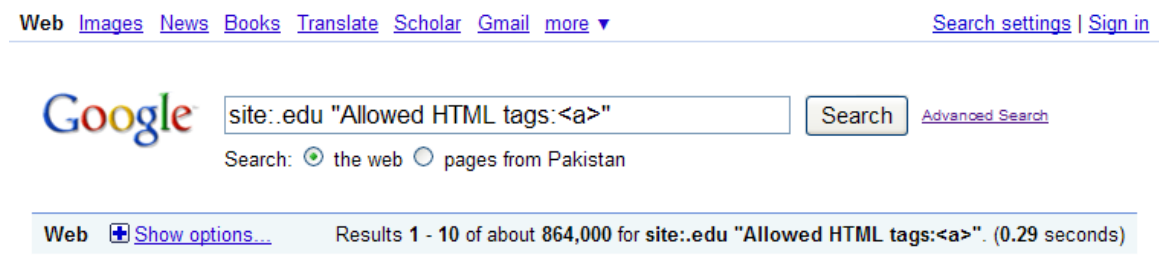

Site: .com "Powered by BlogEngine. Net" "SEO"

(It will display .com site powered by BlogEngine.Net related to SEO topic only. Here again you can use your desired words in place of SEO to get required search results.)

3- Another way to use magic words is:

site: .edu "Allowed HTML tags:<a>"

With special keyword:

site: .edu "Allowed HTML tags:<a>" "make money"

site:.edu "Allowed HTML tags:<a>" "make money"

Search

Advanced Search

Search:  the web  pages from Pakistan

Web Show options... Results 1 - 10 of about 218 for site:.edu "Allowed HTML tags:<a>" "make money". (0.23 seconds)

Here again you can change 'tld' and specific words as desired.

4- You can also get backlinks from 'ShoutMix Box' by using following url:

<http://www2.shoutmix.com>

Here you will find following results with various user names in the links listed below:

For example in first link you find the user names 'ngabacot' and 'jdpertosa' at ShoutMix Box.

<http://www2.shoutmix.com/>

Search

Advanced Search

Search:  the web  pages from Pakistan

Web Show options... Results 1 - 10 of about 455,000 for <http://www2.shoutmix.com/>. (0.37 seconds)

**ShoutMix - Free shoutbox/tagboard chat widget!**

Connect with your visitors. Add live chat capabilities to your website today. Get instant feedback and great user interaction with our shoutbox chat widget. ...

[Login](#) - [Create](#) - [Shoutbox](#) - [Features](#)

[www.shoutmix.com/](http://www.shoutmix.com/) - [Cached](#) - [Similar](#)

**BackLink World**

23 Aug 2008 ... <http://www2.shoutmix.com/?ngabacot> <http://www4.shoutmix.com/?kuerdas> -

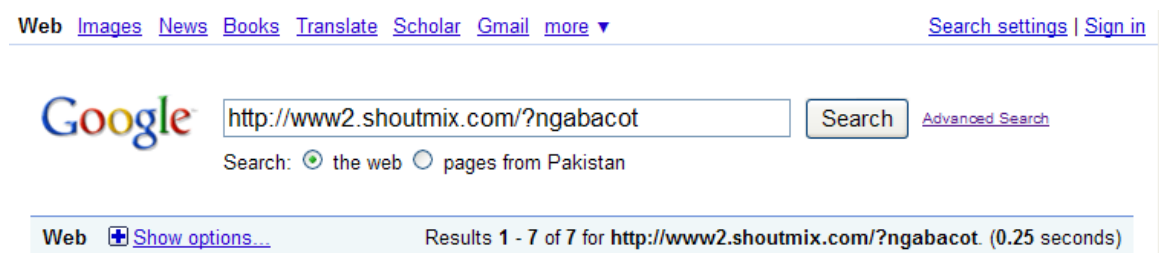

<http://www2.shoutmix.com/?jdpertosa> <http://www4.shoutmix.com/?> ...

[backlinkworld.blogspot.com/](http://backlinkworld.blogspot.com/) - [Cached](#)

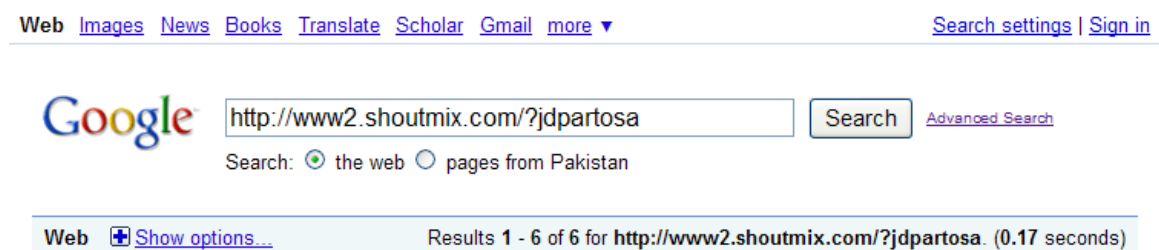

Now you can use the 'ngabacot' in next search query as:

<http://www2.shoutmix.com/?ngabacot>

This will give you direct access to the box where you can leave comment to get a useful backlink.

Repeat the process with various usernames found in proceeding search results to get direct access to their boxes at ShoutMix box.

So keep increasing the number of quality backlinks for your site and achieve a good PR by google page rank results as backlinks are the main factor in improving the PR of any blog or website.

## **Black Hat Tricks**

'Black Hat Tricks', a highly controversial issue for some people but one of the most effective SEO strategies to get websites higher in serps. Therefore only 10 percent webmasters take bold decision to apply this controversial SEO tool.

Here we have tried to explain this useful SEO strategy in a very convenient and simple way. Let's start by doing following actions.

1- Open google home page and type 'Buy Viagra' in the search box.

Here you will see that how someone ranked for 'buy Viagra' with certain forums like viddler. For example at following links

<http://www.viddler.com/explore/BuyCheapViagra1>

OR

[www.viddler.com/explore/BuyCheapViagra1](http://www.viddler.com/explore/BuyCheapViagra1)

---

Web [Images](#) [News](#) [Books](#) [Translate](#) [Scholar](#) [Gmail](#) [more](#) ▼ [Search](#)

Search

[Advanced Search](#)

Search:  the web  pages from Pakistan

---

Web [+ Show options...](#)

Results 1 - 10 of about 24,400 for "www.viddler.com/explore/BuyCheapViagra1".

Now see that how many links are coming to this page for 'buy Viagra'. Type this url in google search box and you will amazed to find that 104 links are coming only from this first attempt he does.

Let's try another one:

[www.carroll.edu/boards/member.php?u=24269](http://www.carroll.edu/boards/member.php?u=24269)

Web [Images](#) [News](#) [Books](#) [Translate](#) [Scholar](#) [Gmail](#) [more](#) ▼ [Search](#)

Google   [Advanced Search](#)

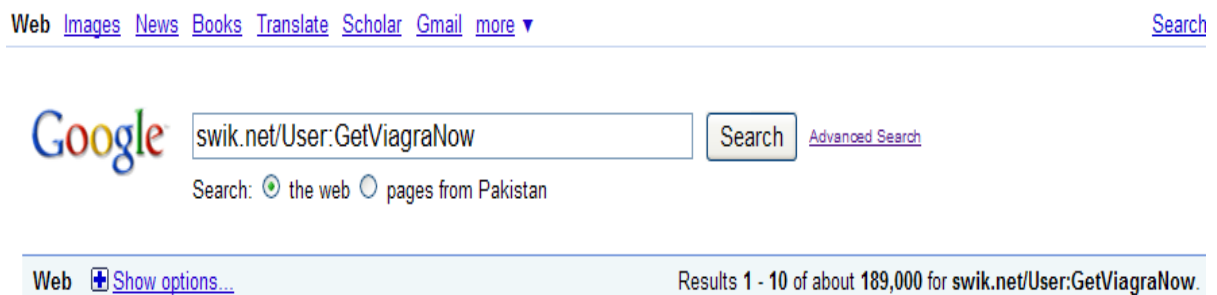

Search:  the web  pages from Pakistan

Web [+ Show options...](#) Results 1 - 10 of about 109,000 for [www.carroll.edu/boards/member.php?u=24269](http://www.carroll.edu/boards/member.php?u=24269).

Here he tried to use EDU domain which has an authority status in search engine ranking. And from here 1620 quality links are achieved in a single attempt.

Now keep trying following links and see how many quality links are taken just by these simple tricky attempts.

[swik.net/User:GetViagraNow](http://swik.net/User:GetViagraNow) (a great link producing 4,730 links)

Web [Images](#) [News](#) [Books](#) [Translate](#) [Scholar](#) [Gmail](#) [more](#) ▼ [Search](#)

Now you were thinking that what is 'Viddler' actually?

Viddler is just like hubpages and squidoo and matters a lot when it comes to site promotion. So if you also want to use this site promotion tool then do the following steps.

- 1- Sign up for Viddler and fill out all required info along with adding your website there.
- 2- Remember your user name should be keyword rich.
- 3- After getting confirmation email just go to 'About me' page and put keyword rich information and link there.

### **Put Link in Useful Wikis to Get more Backlinks:**

Now you can try following:

Wiki site:.edu

wiki site:.edu

Search

[Advanced Search](#)

Search:  the web  pages from Pakistan

From which you find 1,220,000 results and can edit most of them to sign up and to place link in your profile there.

For extracting more benefits from some .edu, enter the followings:

\* site:.edu inurl:wp-login.php +blog

\* site:.edu inurl:wp-login.php +blog

Search

[Advanced Search](#)

Search:  the web  pages from Pakistan

\* site:.gov inurl:wp-login.php +blog

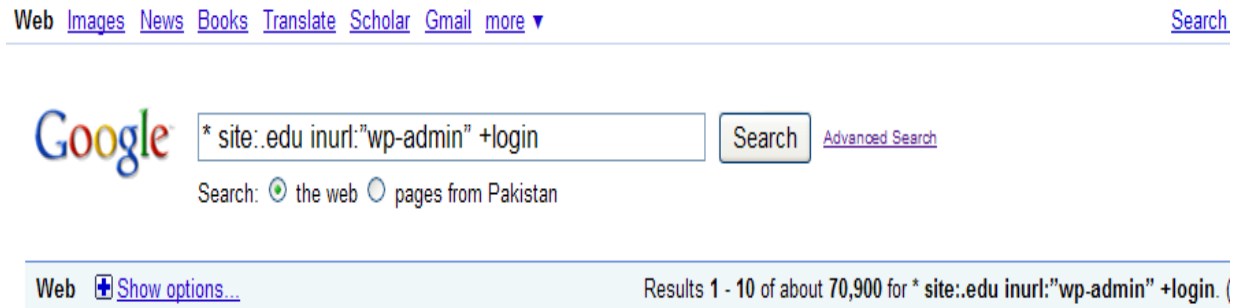

\* site:.gov inurl:wp-login.php +blog

Search

[Advanced Search](#)

Search:  the web  pages from Pakistan

\* site:.edu inurl:"wp-admin" +login

These links will give you direct access to blog page of specific edu sites, where you can leave comment and URL to get backlink easily.

### **Important Tip About 'edu' Blog**

If you don't want to be listed as spammer then use secondary keywords as user name. Like instead of using 'make money online' just use 'work at home man' or some other secondary keyword. Remember one thing that such blogs monitored much more than wikis so be conscious about using keywords and share the benefit of authority of edu domain given by Google search engine optimization.

### **Backlinks Report Analysis**

All of us are aware of the fact that backlinking is one of the most successful strategy in Internet marketing therefore lots of literature is available online or offline to explain it precisely. But s sometimes situation becomes confusing in the presence of lots of information on

same issue and a person don't actually understanding that what to do and what not to do when it comes to backlinking his blog or site.

Here we have discussed some important points mentioned in backlinks report based upon real world experimentation. Let's have a look over these vital aspects of backlinking.

## Basic Principles of Backlinking

\*Use same text in anchor tags used for backlinking and try to link inner page of site rather than linking home page.

\*Do not become choosy about searching relevant sites it is not imperative to get quality backlinks from relevant sites only. A successful and busy site with good PR can provide quality traffic.

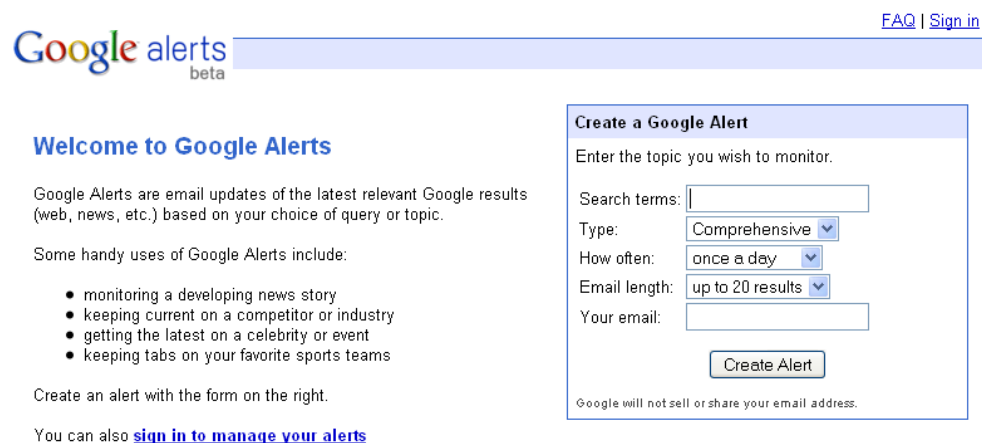

\*Use good keyword tool to get useful keyword for your niche e.g. 'Micro Niche Finder' could be a better choice in this case.

The screenshot shows the homepage of 'Micro Niches Finder'. At the top left, the title 'Micro Niches Finder' is displayed in orange. Below it is a tagline: 'Discover hidden micro niche markets so profitable that the competition will wish they had found them first'. To the right, there is a search bar with a table of results. The table has two columns: 'Searches' and 'Search Term'. The first row shows '300' under 'Searches' and 'micro niche marketing' under 'Search Term'. The second row shows '210' under 'Searches' and 'micro niche finder software keyword' under 'Search Term'. Below the search bar is a blue navigation bar with the URL 'micronichesfinder.com'. Underneath, there is a 'Welcome to Micro Niches Finder' section with a 'Sponsored Links' area containing a link to 'Micro Niche Finder Software'. To the right of this is the 'Micro Niche Finder Keyword Tool for Niche Marketing' section. On the far right, there is a 'Main Menu' with links for 'Home' and 'Micro Niche Finder'. A 'BOOKMARK' button is also visible.

\*Use proper keyword term in article directories and forum including Ezine, GoArticles and warrior Forums etc.

\*Instead of wasting your time in blog commenting prefer searching those forums where you can access profiles easily and can use HTML/BB code in About Me or Bio Box to link your site to get DoFollow backlinks.

\*Use 'Google Alerts' to get automatic notification whenever your profile has got accessed or found.

The screenshot shows the Google Alerts interface. At the top right, there are links for 'FAQ' and 'Sign in'. The main heading is 'Welcome to Google Alerts'. Below this, it explains that Google Alerts are email updates of the latest relevant Google results. It lists some handy uses of Google Alerts, such as monitoring a developing news story, keeping current on a competitor or industry, getting the latest on a celebrity or event, and keeping tabs on favorite sports teams. It also provides a link to 'sign in to manage your alerts'. On the right side, there is a 'Create a Google Alert' form. The form includes a text input for 'Search terms', a dropdown menu for 'Type' (set to 'Comprehensive'), a dropdown menu for 'How often' (set to 'once a day'), a dropdown menu for 'Email length' (set to 'up to 20 results'), and a text input for 'Your email'. A 'Create Alert' button is located below the form. A small disclaimer at the bottom of the form states 'Google will not sell or share your email address.'

\*Create backlinking power list of stable profiles in word or excel sheet to be organized in backlinking process.

\*Remember that IP diversity is must for quality backlinks, links form same IP addresses are not counted by Google.

\*Other software forums like PunBB, IP.Board, vBulletin, SMF, ExpressionEngine can be used to get quality backlinks. Moreover you can visit <http://www.forum-software.org/forum-reviews> to get updates for successful and high PR forums.

[Latest Forum Software Reviews](#)

[Latest Reviewed Forum Softwares](#)

**43** Forum Software Reviews Available.

\*Above all be patience throughout the process and wait for achieving good PR as it could take 2 to 4 weeks or more to see the result of your efforts.

### **How to Minimize the Risk of Account Disabling or Banning in Forums?**

\*Add your photo or your friend's or cousin's with their permission.

\*Wait for the time when your user name disappear from home page new users list and then add link to your profile.

\*Add only 2 to 3 links to your profile and see the stability of your account if everything is going normal then you can add more links.

\*Never post or comment in such forums otherwise your links will be exposed to moderators and your account will be banned.

\*Add profile info in forum accounts to make it real. You can use macro programs like 'Roboform' to facilitate the process.

\*Join busy forums with at least 1000 members there.
